

Mary's Message

!!!!!!!!!!!!!!!!!!!!!!!!!!!!Go Daddy!!!!!!!!!!!!!!!!!!!!

Technology stretches me. It may be hard to believe but I went to college in the days of the type writer. Amazingly, there were no PC's or Macs. As we go into the mission field, I need to work on things like of domain names, websites, parking sites, and blogging. It makes my head spin. I ended up at Go-Daddy.com to register our domain name, www.SiricosinItaly.com. (And no, I don't have the blog done yet but it will be up soon.) As you might expect, I made a couple of mistakes in my registration so a service sales representative called me to straighten out my mess. As we started to talk, I told him our story and call to the mission field. Before the conversation ended, he had shared a great deal about his spiritual walk including his struggles in life and even his own sense that he was called to do more for God. The Holy Spirit prompted me to pray for him. After getting his permission, I prayed for him over the phone. At the end of prayer, he excitedly shared this had never happened to him before. I agreed and shared it was a new experience for me as well. It really was a "Go Daddy" moment and the name became a prophetic statement. As school ends, summer passes and a new year begins, there will be new situations and circumstances in your life. Let God use this season of change to share a "Go Daddy" moment with someone new.

Prayer Corner

Thank you to all our prayer warriors who took a sheet of student names at our Youth Family Night to pray for this year. Please remember each of your students by name as they are feeling the stress of starting a new school year. We do have a need for more prayer warriors for our new students. Please let us know if you would like to join our prayer team.

Activity Brochures with Registration Forms and Medical Release Forms are located outside the Student Ministries Office, 2nd floor of the Community Life Center, 678-4411 ext. 151.
